We connect and protect

nVent ILSCO TaskMaster® Tools - 12-Ton Crimping Tool

nVent ILSCO TaskMaster - 12-Ton Pistol Grip Crimping Tool is a crimping tool that can be used with the nVent ERICO Compression Grounding Connectors line. The C, and E crimps are compatible with this tool in addition with the nVent ILSCO Dies.

With the 12-Ton Pistol Grip Crimping Tool, it is very easy to create secure connections that can be made in a matter of minutes, due to its powerful features like 360-degree tool head rotation, dual speed pump and a variable speed trigger. To make the tool even more user-friendly it also comes with a left and right-handed manual release, LED work light and battery charge indicator.

The 12-Ton Pistol Grip Crimping Tool is powered by an 18-volt battery platform cordless system providing a combination of professional grade power, light-weight and high-performance for all day use.
