Modular Branch Connector, Plastic Connectors

nVent RAYCHEM TraceTek TT-MBC-PC is a modular branch connector used to create tee branches in leak detection sensing cables. This version is provided with plastic connectors. Contains weighted resisitors that simulate 4.5 m / 15 ft of sensing cable on the end and branch legs.

FEATURES

- Simple and fast to install: small, lightweight
- Easy to design
- Reliable during long life: 10 year product warranty available, maintenance free
