Suitable for all types of nVent ERICO Rail Drill Machines

SPECIFICATIONS

Table 1/1

Catalog Number	Article Number	Rail Type	Unit Weight
BSK1	715360	T-Rail	3 kg
BSK2	715370	Grooved	4 kg

ADDITIONAL PRODUCT DETAILS

To position the rail drill machine on the rail, rail clamping devices and rail profile templates are needed, which must be ordered separately.

WARNING

nVent products shall be installed and used only as indicated in nVent's product instruction sheets and training materials. Instruction sheets are available at www.nvent.com and from your nVent customer service representative. Improper installation, misuse, misapplication or other failure to completely follow nVent's instructions and warnings may cause product malfunction, property damage, serious bodily injury and death and/or void your warranty.
