

RackChiller In-Row Cooler Ganging Kit

The RackChiller In-Row Ganging kit allows for integration of the cooler into Proline or Varistar aisle containments. The included levelling feet, plinth and top blanking panel assure seamless look while providing best sealing properties of the aisle containment. The kit is available in different variations, depending on the cooler and racks used.

FEATURES

Seamlessly integrates the Rack-Chiller In-Row into aisle containments

Including plinth, levelling feet and top blanking panel
