

# Hydraulic Hose Assembly

The hydraulic hose assembly is specifically designed to both hydraulically and electrically connect the nVent LENTON Quick Wedge pin driver to the hydraulic unit.

## FEATURES

Electrical fittings are color coded to prevent installation error

Hose is designed to withstand 10,000 psi (69 MPa)

Durable and long lasting

## SPECIFICATIONS

Table 1/1

| Catalog Number | Length | Unit Weight |
|----------------|--------|-------------|
| ML820          | 6m     | 6.41 kg     |

## ADDITIONAL PRODUCT DETAILS

Prior to installation, please read and understand the detailed instructions and safety notices provided in the nVent LENTON Quick Wedge Operator's Manual.

## WARNING

nVent products shall be installed and used only as indicated in nVent's product instruction sheets and training materials. Instruction sheets are available at [www.nvent.com](http://www.nvent.com) and from your nVent customer service representative. Improper installation, misuse, misapplication or other failure to completely follow nVent's instructions and warnings may cause product malfunction, property damage, serious bodily injury and death and/or void your warranty.
