

ProLine G2 Floor Stand Kit

The Floor Stand Kit mounts depth-wise on the ProLine G2 enclosure, securing both through the frames drain hole(s) and the corner block(s). The Floor Stand Kit is used to elevate the enclosure off the ground by 300 mm (~1ft). Please note at this time Hoffman is only offering a single 800 mm deep model, please consult the factory if a different depth is required.

FEATURES

Elevates the enclosure off the ground by 300 mm (~1ft)

For use with 800 mm deep enclosures and frames
