

## Wide Mounting Plates, MPW

The extra wide mounting plate offers more mounting space and can be fully equipped before being fitted within the enclosure. It can be fitted from the side of the enclosure since, it is wider than the front of enclosure opening.

### FEATURES

Description: Creates an installation surface over the full width of the enclosure. Easy installation by use of sliding profiles MTS from the side. Nominal width equals the enclosure width. When combining enclosures the MPWs can be connected and slid in as one installation surface. Can not be mounted in the rearmost position.

Material: 3 mm galvanized steel.

Pack quantity: 1 piece with mounting accessories.

Mounting requirements: Add sliding profiles MTS. MPW fits in combinable enclosures only.

## SPECIFICATIONS
