

WinterGard End Seal

RAYCHEM WinterGard H912 is a replacement end seal kit for terminating the following nVent RAYCHEM heating cables: H311, H611, H612, H621, and H622 only. The kit contains materials for two end seal terminations. This kit does not provide a power connection; an H900 or H908 Power Connection Kit (supplied separately) must be used to comply with warranty, approvals, and national electrical code requirements.

FEATURES

Replacement end seal kit for WinterGard heating cables

Two end seal terminations

UL and CSA listed
