

# 35-7 PCB-Tainer

## **CATALOG NUMBER**

# 35-7B-1-4-6

The Series 35-7 PCB Tainer is ideal for PCB retention within low shock and vibration applications.

M WARNING: This product can expose you to chemicals including beryllium, which is known to the State of California to cause cancer. For more information, go to www.P65Warnings.ca.gov.

#### **CERTIFICATIONS**

## **FEATURES**

DSCC 85020 and 85021 / DSCC CID 55563

Mounts to the enclosure with standard rivets or screws

Constructed from beryllium copper or stainless steel

Height 3.18 mm (0.125")

Width 6.35 (0.250")

Length 25.4 mm (1.0") to 152.4 mm (6.0"), 12.7 mm (0.5") increments

Supports PCB thickness of 0.79 mm (0.031"), 1.59 mm (0.063"), 2.38 mm (0.094")

Weight 0.17 g/cm (0.015 oz/")

Spring based retention design

For sheet metal applications

Available unplated or with silver, ebanol, copper, gold, nickel, zinc clear chromate, or zinc yellow chromate plating

## **PRODUCT ATTRIBUTES**

Product Type: PCB Retainer

Type: PCB Tainer (Spring Design)

#### ADDITIONAL PRODUCT DETAILS

From time to time, nVent may modify its product specifications to be in conformity with applicable industry, military or other relevant standards. Unless otherwise mutually agreed in writing, cancelled or superseded military specifications may be certified to the latest or superseding specifications. Products manufactured in conformity with such specifications will be deemed fully compliant whether or not you have been notified of such modifications, even if different from the original specification or those referenced by the customer.

Timing & availability of products containing Beryllium Copper material are subject to material availability and have lead times up to 52 weeks.

#### WARNING

nVent products shall be installed and used only as indicated in nVent's product instruction sheets and training materials. Instruction sheets are available at www.nvent.com and from your nVent customer service representative. Improper installation, misuse, misapplication or other failure to completely follow nVent's instructions and warnings may cause product malfunction, property damage, serious bodily injury and death and/or void your warranty.

△ WARNING: This product can expose you to chemicals including beryllium, which is known to the State of California to cause cancer. For more information, go to www.P65Warnings.ca.gov.
