

ProLine 100-mm Plinth Base

Plinth Bases install under an enclosure to provide space for cables to enter from below. A Plinth Base consists of four corner supports connected to four access panels. The corner supports are cast aluminum. The access panels attach to the corner supports with screws. All necessary mounting hardware included. Order a gland plate system to provide Type 12 protection when using a Plinth Base.

FEATURES

All necessary mounting hardware included

Order with a gland plate system to provide Type 12 protection when using a Plinth Base
