

Double Cable Bracket with Plug

FEATURES

Ideal for smaller runs of cables

Up to two plastic conduit clips can be attached to the bracket allowing the support of cables and conduits using a single hole in the concrete

Flexible clip retains shape and allows for cables to be inserted after installation

Cables are neatly installed providing a consistent and professional appearance

Low profile allows for installations in tight spaces

Tool-free push-in installation after hole has been drilled into the concrete

Halogen free

UV-stabilized
