

ProLine Support Bracket Kit

Brackets provide additional support for large air conditioners or other heavy devices that can be mounted on modular enclosure sides. Support brackets fit between the frame and sides to provide two horizontal rigid supports. They can be positioned at various heights to accommodate any size air conditioner or device. Brackets can also be used between frames and tops for supporting heavy devices mounted on top of modular enclosures.

FEATURES

Furnished in pairs

All hardware included

Brackets are plated 14 gauge steel

SPECIFICATIONS

Thickness: 1.5mm
Finish: Plated
