

# WBT Performance Cable Tray PreForm Tee

nVent CADDY WBT Performance Cable Tray PreForm is a cleaner, faster, more uniform engineered solution for pathway bends, tees and intersections. The PreForm Tee is a revolutionary, time-saving solution for seamless intersections ensuring clean engineering precision and effortless attachment without cutting or configuring. Due to its unique design, this offering provides up to 60% reduction in labor and time compared to traditional methods while maintaining flexibility and cost-effectiveness in tray pathway retrofits.

## FEATURES

---

Routes cable systems in two directions

Maintains UL classification throughout installation
