

WinterGard Splice and Tee Connection

RAYCHEM WinterGard H910 Splice and Tee Kit is for use with WinterGard self-regulating heating cables to make splice, tee, and end seal connections. The kit contains materials for one splice and one end seal, or one tee connection and one end seal. This kit does not provide a power connection; use an H900 or H908 power connection kit for a complete installation.

FEATURES

Splice and tee kit for WinterGard heating cables

Make splice, tee and end seal connection for WinterGard cables
