

Eurorack Top Cover Flush, Plain

Flush top covers are used for enclosures with less electronic density where cooling is not a necessity. Additionally as the cover is laid into the frame, it consumes less space vertically and is more aesthetic.

FEATURES

St, 1 mm

RAL 7021

SPECIFICATIONS

WARNING

nVent products shall be installed and used only as indicated in nVent's product instruction sheets and training materials. Instruction sheets are available at www.nvent.com and from your nVent customer service representative. Improper installation, misuse, misapplication or other failure to completely follow nVent's instructions and warnings may cause product malfunction, property damage, serious bodily injury and death and/or void your warranty.
