

Cable Manager Arm for Sliding Equipment Shelf

The Cable Manager Arm mounts to the back of a sliding equipment shelf (on the right or left side) and to the base rack or cabinet. It controls cable movement as the shelf slides in and out, limiting the chance of cable becoming entangled.

FEATURES

The Cable Manager Arm mounts to the back of a sliding equipment shelf (on the right or left side) and to the base rack or cabinet

It controls cable movement as the shelf slides in and out, limiting the chance of cable becoming entangled
