

WBT Performance Cable Tray Double Splice

The nVent CADDY WBT Performance Cable Tray Double Splice eliminates up to 50% of the material cost and installation time, offering a robust splice option for tray grounding pathways. Simplify the job site with a quick and secure bolted splice install while meeting the UL classification for properly bonding and grounding tray runs.

FEATURES

Easy to use, quick connect feature

Utilize our double splice calculator to estimate your next job

Works with wide range of tray sizes and configurations

SPECIFICATIONS

WARNING

nVent products shall be installed and used only as indicated in nVent's product instruction sheets and training materials. Instruction sheets are available at www.nvent.com and from your nVent customer service representative. Improper installation, misuse, misapplication or other failure to completely follow nVent's instructions and warnings may cause product malfunction, property damage, serious bodily injury and death and/or void your warranty.
