

WBT Performance Cable Tray Drop Out

The nVent CADDY WBT Performance Cable Tray Drop Out installs by simply inserting dropouts within the tray grid while allowing for proper support and radius when exiting at the bottom of the tray.

FEATURES

Stackable for multiple adjoining dropouts

Ensures the bend radius of the cable is respected

SPECIFICATIONS

WARNING

nVent products shall be installed and used only as indicated in nVent's product instruction sheets and training materials. Instruction sheets are available at www.nvent.com and from your nVent customer service representative. Improper installation, misuse, misapplication or other failure to completely follow nVent's instructions and warnings may cause product malfunction, property damage, serious bodily injury and death and/or void your warranty.
