

## WinterGard End Seal

RAYCHEM WinterGard H912 is a replacement end seal kit for terminating the following nVent RAYCHEM heating cables: H311, H611, H612, H621, and H622 only. The kit contains materials for two end seal terminations. This kit does not provide a power connection; an H900 or H908 Power Connection Kit (supplied separately) must be used to comply with warranty, approvals, and national electrical code requirements.
