

Cable Entry Gland Plate Connected Locking, CCFLO

Optional locking frames ensure that grommets cannot be pushed outwards without the use of tools.

INDUSTRY STANDARDS

UL 508A Component Recognized; File No. E61997

UL94 V-0 Flammability

FEATURES

Optional halogen-free and silicone locking elements

Grommets cannot be pushed out without using tools

Adds additional strain relief. Ensures UL-certification on CCFO cable entry

Optional locking elements to be used on CCFO

The locking elements ensures that the grommets cannot be pushed out without using tools

CCFLO needs to be used together with CCFO to maintain UL-certification
