

WBT Performance Cable Tray Bar Splice

The nVent CADDY WBT Performance Cable Tray Bar Splice offers a versatile solution for straight sections and fittings within shaped wire basket tray systems. Engineered for structural continuity, the Bar Splice delivers enhanced support between tray runs. With a slotted design, contractors can create innovative field configurations—ideal for forming reducers or achieving precise angles. Whether you're adapting tray geometry or reinforcing connections, the Bar Splice ensures a clean, secure fit with finishes that match your installation.

FEATURES

Multiple color options to coordinate with cable tray selection

Creates additional support for cable tray runs

Optimal for angles 30 degrees and smaller
