

ProLine Containment System Acrycell Sealing Tape

Data Solutions

Acrycell Sealing Tape is the premium choice for sealing openings in the data center including room perimeter, floor openings, under cabinet, between racks, and around CRAC units. It has a revolutionary sealing technology which significantly reduce costly bypass airflow, increasing usable cooling unit capacity, and ensuring maximized efficiency from HVAC equipment.

FEATURES

Time release expansion that ensures a tight seal around cables and other impediments

Moldable physical quality that forms a tight seal on uneven surfaces and gaps

Customizable tape unrolls creating one continuous and uniform top-to-bottom sealing

Peal-and-stick installation saves labor, time and money

Compressed tape eliminates pinching, stuffing or otherwise manipulating to install

Confirmed "Data Center Safe" by a third party laboratory aging test

The non-particulating, time release Acrycell sealing technology is designed to seal gaps against racks, cabinets or other enclosures in mission-critical data center environments

Confidently and cost effectively seals gaps against errant airflow ranging from 0.2 to 2 inches (5 to 50 mm) in width, between racks, cabinets or other data center equipment

Durable Acrycell Sealing Tape is temperature resistant from -40 to 212 F (-40 to 100 C)

Fire resistant to DIN 4102 Class B1

Accommodates 36-in. (OSHA minimum aisle widths) and 48-inch (two-floor-tile-wide) aisle ways

SPECIFICATIONS

Table 1/1

Catalog Number	Article Number	Material	Color	Thickness	Length
----------------	----------------	----------	-------	-----------	--------

UACAST05IN	39181	Foam	Black	1.3mm	10mm
UACAST11IN	38631	Foam	Black	25mm	5.6mm
UACAST21IN	38632	Foam	Black	51mm	2.59mm

WARNING

nVent products shall be installed and used only as indicated in nVent's product instruction sheets and training materials. Instruction sheets are available at www.nvent.com and from your nVent customer service representative. Improper installation, misuse, misapplication or other failure to completely follow nVent's instructions and warnings may cause product malfunction, property damage, serious bodily injury and death and/or void your warranty.
