

ProLine G2 Frame Accessory Bracket

Frame Accessory Brackets mount directly to the ProLine G2 frame and are used in place of rack angles to mount rack accessories such as shelves and pull-out shelves.

FEATURES

14-gauge (1.75-mm) plated steel construction

Furnished in sets of four, with mounting hardware included

Used specifically for mounting 19-inch Hoffman rack accessories such as shelves, and not for use with standard commercially available 19-inch rack components. Standard rack angles are required to mount such rack components.
