

# Leader Cable Clear, Metal Connector

nVent RAYCHEM TraceTek TT-MLC-MC is a clear modular leader cable, with metal connector, used to connect the alarm module and the sensing cable over short distances. One end is prepared with exposed conductors for easy connection to the alarm module terminals (or for splicing to bulk jumper cable) and other end is prepared with a socket type metal connector compatible with modular sensing cables or modular jumper cable.

## FEATURES

Simple and fast to install: modular

Easy to design

Reliable and durable: 10 year product warranty available, maintenance free

## SPECIFICATIONS

Table 1/2

| Catalog Number | Item Name | Connector Material | Connector Type | Insulation Material                  | Conductor Material | Outer Sheath Material |
|----------------|-----------|--------------------|----------------|--------------------------------------|--------------------|-----------------------|
| 330065-000     | TT-MLC-MC | Metal              | Female         | Fluorinated Ethylene Propylene (FEP) | Copper             | ECTFE                 |

Table 2/2

| Catalog Number | Item Name | Core Identification | Conductor Size | Core Quantity | Length |
|----------------|-----------|---------------------|----------------|---------------|--------|
| 330065-000     | TT-MLC-MC | Color               | 18 AWG         | 4             | 3.66 m |

## WARNING

nVent products shall be installed and used only as indicated in nVent's product instruction sheets and training materials. Instruction sheets are available at [www.nvent.com](http://www.nvent.com) and from your nVent customer service representative. Improper installation, misuse, misapplication or other failure to completely follow nVent's instructions and warnings may cause product malfunction, property damage, serious bodily injury and death and/or void your warranty.
