

Latch Kit Type 4/12 Enclosure with Clamps, triangle insert, Plated, Steel

CATALOG NUMBER

AL35

Latches fits Type 4 and 12 enclosures which have external screw clamps. Requires only a quarter-turn (90 degrees) to open or close. An internal O-ring and external gasket assure a water-tight and dust-tight seal. Installation requires a hole punched or drilled in the door for each latch. A square or triangular key is required for tamper-resistant latches.

FEATURES

Replace existing clamps with the same number of latches and positioned in the same locations

Complete instructions are furnished

PRODUCT ATTRIBUTES

Article Number: 11850
