

35-1 PCB-Tainer

CATALOG NUMBER

35-1B-2-6-3

The Series 35-1 PCB Tainer is ideal for PCB retention within low shock and vibration applications.

■ WARNING: This product can expose you to chemicals including beryllium, which is known to the State of California to cause cancer. For more information, go to www.P65Warnings.ca.gov.

CERTIFICATIONS

FEATURES

Length 50.8 mm (2.0") to 152.4 mm (6.0"), 12.7 mm (0.5") increments

Weight 0.37 g/cm (0.033 oz/")

DSCC 85020 and 85021 / DSCC CID 55563

Constructed from beryllium copper or stainless steel

Spring based retention design

Supports PCB thickness of 0.79 mm (0.031"), 1.59 mm (0.063"), 2.38 mm (0.094") and 3.18 mm (0.125")

Mounts to the enclosure with standard rivets or screws

Height 4.57 mm (0.180")

For sheet metal applications

Width 9.14 mm (0.360") or 10.16 mm (0.400") depending on board thickness

Available unplated or with silver, ebanol, copper, gold, nickel, zinc clear chromate, or zinc yellow chromate plating

PRODUCT ATTRIBUTES

Product Type: PCB Retainer

Material: Stainless Steel; Beryllium Copper

Type: PCB Tainer (Spring Design)

ADDITIONAL PRODUCT DETAILS

From time to time, nVent may modify its product specifications to be in conformity with applicable industry, military or other relevant standards. Unless otherwise mutually agreed in writing, cancelled or superseded military specifications may be certified to the latest or superseding specifications. Products manufactured in conformity with such specifications will be deemed fully compliant whether or not you have been notified of such modifications, even if different from the original specification or those referenced by the customer.

Timing & availability of products containing Beryllium Copper material are subject to material availability and have lead times up to 18 weeks.

WARNING

nVent products shall be installed and used only as indicated in nVent's product instruction sheets and training materials. Instruction sheets are available at www.nvent.com and from your nVent customer service representative. Improper installation, misuse, misapplication or other failure to completely follow nVent's instructions and warnings may cause product malfunction, property damage, serious bodily injury and death and/or void your warranty.

MARNING: This product can expose you to chemicals including beryllium, which is known to the State of California to cause cancer. For more information, go to www.P65Warnings.ca.gov.
