

WBT Performance Cable Tray Washer Support

The nVent CADDY WBT Performance Cable Tray Washer Support offers a seamless way to mount cable trays in continuous pathways. Its versatile design supports a wide range of applications, such as creating 90-degree angles, connecting trays at intersections or anchoring supports to the tray system. With a user-friendly design, the Washer Support helps ensure that every cable tray configuration is both structurally sound and visually clean—supporting the demands of modern infrastructure with confidence.
