

# External Frame Floor Mounting Bracket Kit

The External Frame Floor Mounting Bracket Kit provides a convenient method to secure the enclosure to the floor. The jogged brackets mount between the base and the base securing bolts, and extend just beyond the edge of the enclosure.

## FEATURES

---

The brackets are constructed from 12-gauge (2.5 mm) galvanized steel.

Mount between the base and the base securing bolts, and extend just beyond the edge of the enclosure

Compatible with all ProLine enclosures with either a solid, 0-mm base or gland plate
