

# Internal Retainer for Side Panel

## Power Utilities

The internal retainer is easily fitted without drilling, and allows the side panel to be removed only from inside. The retainer is only for IP 20 applications.

## FEATURES

For IP 20 applications

Once assembled, the side panel can no longer be removed from the exterior

## SPECIFICATIONS

## WARNING

nVent products shall be installed and used only as indicated in nVent's product instruction sheets and training materials. Instruction sheets are available at [www.nvent.com](http://www.nvent.com) and from your nVent customer service representative. Improper installation, misuse, misapplication or other failure to completely follow nVent's instructions and warnings may cause product malfunction, property damage, serious bodily injury and death and/or void your warranty.
