

WBT Performance Cable Tray PreForm Tee

nVent CADDY WBT Performance Cable Tray PreForm is a cleaner, faster, more uniform engineered solution for pathway bends, tees and intersections. The PreForm Tee is a revolutionary, time-saving solution for seamless intersections ensuring clean engineering precision and effortless attachment without cutting or configuring. Due to its unique design, this offering provides up to 60% reduction in labor and time compared to traditional methods while maintaining flexibility and cost-effectiveness in tray pathway retrofits.

FEATURES

Routes cable systems in two directions

Maintains UL classification throughout installation

SPECIFICATIONS

WARNING

nVent products shall be installed and used only as indicated in nVent's product instruction sheets and training materials. Instruction sheets are available at www.nvent.com and from your nVent customer service representative. Improper installation, misuse, misapplication or other failure to completely follow nVent's instructions and warnings may cause product malfunction, property damage, serious bodily injury and death and/or void your warranty.
