

# **ADK Strut End Cap**

The nVent CADDY ADK Strut End Caps provide a safe and fast solution for handling sharp-edged strut channels. The ADK Caps are easily inserted into the ends of factory or field-cut strut channels and help prevent potential injuries caused by rough edges found on material ends. Additionally, this simple solution works with multiple strut channel profile types and is available in several different colors to suit individual applications.

## **FEATURES**

Fits into ERISTRUT Type A, B, C and D strut channel, both slotted and solid

When separated, provides two end caps for ERISTRUT Type C channel
