## **ADDITIONAL PRODUCT DETAILS**

RBTSA pouring basins require one RBW341 pouring basin frame. RBTSB and RBTSC pouring basins require one RBW341 pouring basin frame and two RBS5000 bolt retainers (all sold separately).

Prior to installation, please read and understand all of the detailed instructions and safety notices provided in the nVent LENTON Cadweld Rebar Splicing System Instruction Manual.

Sizes not shown may be available by special order. Contact your nVent LENTON representative for more information.

### **WARNING**

nVent products shall be installed and used only as indicated in nVent's product instruction sheets and training materials. Instruction sheets are available at www.nvent.com and from your nVent customer service representative. Improper installation, misuse, misapplication or other failure to completely follow nVent's instructions and warnings may cause product malfunction, property damage, serious bodily injury and death and/or void your warranty.
