Table 1/1

| Catalog Number | Article Number | Material | Finish            | Product                                         | Diameter | Length |
|----------------|----------------|----------|-------------------|-------------------------------------------------|----------|--------|
| B2618B         | 165400         | Steel    | Electrogalvanized | Cable for grounding tanker trucks and rail cars | 2.4 mm   | 15.2m  |

## ADDITIONAL PRODUCT DETAILS

Containers with flammable liquid should remain closed until bonding and grounding is complete, because an initial spark may occur during the connection of grounding equipment which could ignite vapors or gases.

## WARNING

nVent products shall be installed and used only as indicated in nVent's product instruction sheets and training materials. Instruction sheets are available at [www.nvent.com](http://www.nvent.com) and from your nVent customer service representative. Improper installation, misuse, misapplication or other failure to completely follow nVent's instructions and warnings may cause product malfunction, property damage, serious bodily injury and death and/or void your warranty.
