

Secondary door interlock kit, FMS

This interlocking kit keeps the slave door locked until the master door has been opened first.

FEATURES

Description: Mounted to the slave door of both single and double door enclosures. Slave door is prevented from opening when master door is closed. This safety feature can be activated separately even when the main door interlocking device is not installed. One set per slave door is needed.

Material: Zinc plated steel.

Pack quantity: 1 set with mounting material.
