

nVent ERICO Ericore Factory Termination

FEATURES

Upper termination provides an insulated connection from terminal to nVent ERICO Ericore to properly transition the lightning strike

SPECIFICATIONS

Table 1/1

Catalog Number	Article Number	Termination Location
ERICORETRMOS	701915	External
ERICORETRMIS	701895	Internal

ADDITIONAL PRODUCT DETAILS

Termination location can aid in installation. Choose an inner termination location when spool will be delivered to top of structure and conductor pulled to the grounding location.

WARNING

nVent products shall be installed and used only as indicated in nVent's product instruction sheets and training materials. Instruction sheets are available at www.nvent.com and from your nVent customer service representative. Improper installation, misuse, misapplication or other failure to completely follow nVent's instructions and warnings may cause product malfunction, property damage, serious bodily injury and death and/or void your warranty.
