

SOHO Cabinet for Small Office and Home Office

SOHO Cabinets are designed to house servers, networking equipment and phone and voice mail equipment under a desktop. Casters allow the cabinet to be easily moved for access. Equipment is passively cooled by air taken in from the front of the cabinet and expelled through fan cutouts in the rear, which can accept optional fans for warmer applications.

FEATURES

Open base with slotted vents includes casters

Front door has locking handle

Doors are hinged left and removable

Same key provides access to all doors and side panels

Fan cutouts with finger guards on upper half of rear door

Rear door and side panels have quarter-turn key-locking latches

Adjustable gland plate with strain relief at bottom rear of cabinet provides easy and secure cable entry

Doors and side panels inset flush with frame

SPECIFICATIONS
