RAYCHEM

RAYCHEM

Certified PRO for **RAYCHEM Underfloor Heating**

The Certified PRO for Underfloor heating is a well-balanced theoretical and practical training session on RAYCHEM's underfloor heating products. It includes:

- ✓ Introduction to the Certified PRO programme.
- ✓ Understanding the benefits of each underfloor heating product.
- ✓ Select the right product for the application.
- ✓ Quoting and selling underfloor heating systems.
- ✓ Install, test and commission an underfloor heating system.
- ✓ Install, programme and use the Thermostat.
- ✓ The 20 year Total Care Warranty and the warranty procedures.

RAYCHEM

Certified PRO for **RAYCHEM Roof and Gutter Snow Melting**

The Certified PRO for Gutters module is a combination of theoretical and practical training on the Roof and Gutter snow melting products. It includes:

- ✓ Selecting the right cable, connection components and control unit for the application.
- ✓ Understanding and using the different fixing methods on roof as well as in the gutters.
- ✓ Learn how to install, commission and test the products.
- ✓ Operation and maintenance of the products.
- ✓ The 12 year Product Warranty and the warranty procedures.

RAYCHEM

Why become a Certified PRO installer

❶ Participate in practical and hands-on training for free on:

- ✓ Product selection.
- ✓ Installation tips.
- ✓ Testing and commissioning.
- ✓ Sales techniques.
- ✓ Construction directives and guidelines.

❷ Generate additional business

- ✓ Be listed as a Certified PRO on our website. Your contact details will be displayed when customers are looking for trained professionals in their area.
- ✓ Receive promotional materials and marketing tools to support you with nVent RAYCHEM products.
- ✓ Get RAYCHEM lead referrals from exhibitions (or attend the exhibitions with our help).

❸ Be a member of the Certified PRO network of specialists

- ✓ Attend Certified PRO events (like karting, bowling, team building events,...).
- ✓ Keep track of your installations online.
- ✓ Receive our E-newsletter with latest developments, tips & tricks.
