

ProLine Tie-Down Reducing Bracket, fits 1200x700mm wide, Black, Steel

Data Solutions

CATALOG NUMBER

PRBTD125

The ProLine Tie-Down Reducing Bracket provides a convenient tie down for vertical or horizontal cable management. It allows front-to-back cable pass through while supporting optional D-Rings and wire management spools. The bracket mounts on either the left or right side of 700- and 800-mm cabinets between the frame and the rack angle to create vertical wiring space. Please note the mounting hardware and 10 VELCRO® Cable Wraps included.
