

Heavy Duty Panel Support for Free-Stand Enclosure

Pairs of Heavy Duty Panel Supports are used to mount panels when heavy equipment is installed on the panels. They extend to the bottom of the enclosure to provide additional support. Adjustable mounting studs allow mounting of different height panels or a combination of panels. Heavy Duty Panel Supports are used in place of the individual panel supports furnished with panels.

FEATURES

Each kit has two full-length heavy duty panel supports

Use mounting hardware furnished with panels

SPECIFICATIONS
