

ProLine G2 Frame Floor-Mounting Bracket

Provides a structural method of bolting a ProLine G2 frame to the floor.

FEATURES

12-gauge (2.5-mm) plated steel construction

Kit includes four brackets and mounting hardware

Fits all frame sizes. Duro-Stand Gland Plate interferes with bracket installation, so it is best to change to a solid-base (0-mm base) for floor securing. Not for use on Colocation Frames (Networking product group), which includes welded-in, floor mounting brackets.

SPECIFICATIONS
