

Side Mounting Plate Brackets, MPS

These fixation brackets allow for fitting a full height or partial height mounting plate to one side within the enclosure when more mounting space is needed. The mounting plate will separate bayed enclosures in full, or partially, depending on the height of it.

FEATURES

Description: To mount the standard mounting plate on the side of the enclosure's frame. Provides a mounting surface that is flush with the profiles.

Material: 3 mm zinc plated steel.

Pack quantity: 4 brackets with mounting accessories.
