

Swing-Out Panel for Free-Stand with Mounting Channel

Swing-Out Panels are designed for Free-Stand Enclosure with Mounting Channel. Full-length and half-length swing-out panels are available. Half-length panels can be located in the upper or lower portion of the enclosures. Swing-out panels have two heavy-gauge continuous hinges which permit the panel to swing completely out of the enclosure if it is located within approximately 10.75 in. (273 mm) of the door. These panels can be mounted on either side of the enclosure.

FEATURES

Panels are furnished with plated mounting hardware

SPECIFICATIONS

Material: Mild Steel
Finish: Powder Coated
Color: White
