

# T-Series Horizontal Transition Filler Material Kit

T-Series horizontal filler material kits contain the following: Filler material, two horizontal packings, pouring basin ceramic guide tube and pouring basin crucible ceramic and disk. All filler material kits contain one-time use components that are sized to a specific sleeve, pouring basin and pouring basin crucible combination. Ordering filler material kits simplifies ordering, reduces order errors and helps ensure proper sizing of components.

## CARACTERÍSTICAS

Simplifies ordering

Used to splice different diameter bars

All components are for one-time use

## ESPECIFICACIONES

Table 1/1

| Número de catálogo | Tamaño de las barras de armado, métrico | Tamaño de las barras de armado, EE. UU. | Tamaño de armadura, Canadá |
|--------------------|-----------------------------------------|-----------------------------------------|----------------------------|
| RBT89101HB         | 28 mm, 25 mm                            | #9, #8                                  | 30M, 25M                   |
| RBT811101HB        | 36 mm, 25 mm                            | #11, #8                                 | 35 MILLONES, 25M           |
| RBT1118101HB       | 57 mm, 36 mm                            | #18, #11                                | 55 MILLONES, 35M           |
| RBT1011101HB       | 36 mm, 32 mm                            | #11, #10                                |                            |

## DETALLES ADICIONALES DEL PRODUCTO

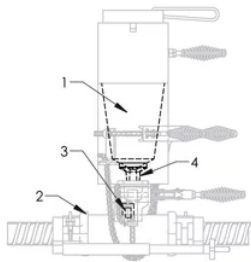

Prior to installation, please read and understand all of the detailed instructions and safety notices provided in the nVent LENTON Cadweld Rebar Splicing System instruction manual.

Filler material kits are a component in splice kits. Care should be taken to avoid duplication of orders.

Components can also be purchased separately: (1) Filler Material, (2) Packing, (3) Pouring Basin Ceramic Guide Tube, and (4) Pouring Basin Ceramic Insert and Disk.

| Filler Material Kit Components |                 |                      |                                       |                                  |
|--------------------------------|-----------------|----------------------|---------------------------------------|----------------------------------|
| Filler Material Kit            | Filler Material | Packing (2 Required) | Pouring Basin Ceramic Insert and Disk | Pouring Basin Ceramic Guide Tube |
| RBT89101HB                     | RBF90           | RBS354711            | RBS5037                               | RBS5038                          |
| RBT811101HB                    | RBF105          | RBS354714            | RBS5037                               | RBS5038                          |
| RBT1011101HB                   | RBF125          | RBS354712            | RBS5037                               | RBS5038                          |
