

T2Red Self-Regulating Floor Heating Starter Pack

RAYCHEM Complete starter pack for T2Red floor heating containing 300 meter of T2Red, 5 SENZ thermostats, 10 connctions and end seal kits and a trolley for ease of transportation and unspooling the T2Red cable.

CARACTERÍSTICAS

Energy efficient, self regulating (increased comfort thanks to perfect heat spreading over the entire room: automatically adjusts heat output, more heat near windows, less heat under furnishings) with advanced controls plus optional insulation board (Reflecta)

Simple, fast installation (cut-to-length, no cold leads, ideal for complex floor plans, suitable for all sub floors and floor coverings, meter markings, user-friendly connections kits)

Safe and efficient operation (fast heat up, flexible power output from 50-100W/m², closer loops for higher output and wider loops for lower output, no overheating)

Reliable during long life, 12 to 20 year total care warranty available, no maintenance required

Including 300 meter of cable on spool, connection kits, 5 SENZ touchscreen thermostats (Weekly timer, Predictive heating, Open window function) that make the installation compliant with the EcoDesign directive, and 1 trolley for ease of transport of the material and unspooling of the T2Red cable

ESPECIFICACIONES

ADVERTENCIA

Los productos nVent deben instalarse y usarse solo como se indica en las hojas de instrucciones y materiales de capacitación del producto nVent. Las hojas de instrucciones están disponibles en www.nvent.com y con su representante de atención al cliente de nVent. La instalación incorrecta, el mal uso, la aplicación incorrecta u otras fallas en el seguimiento completo de las instrucciones y advertencias de nVent pueden causar el mal funcionamiento del producto, daños a la propiedad, lesiones corporales graves y la muerte y/o anular la garantía.
