

On Demand Stock Panels

The nVent RAYCHEM On Demand Stock Panels program offers rapid delivery of optimized best-in-class standard panel configurations for customer projects. Panels are built with quality components including premium RAYCHEM controllers for use in hazardous and nonhazardous areas. Many configurations have C1D2 circuit breakers and Type 4X stainless steel enclosures.

CARACTERÍSTICAS

Improve efficiency and reduce lead times by using standardized EHT controller & panel designs

Accelerated delivery with an ideal standard configuration.
