

Modular Leader Cable Black, Metal Connector

nVent RAYCHEM TraceTek TT-MLC-MC-BLK is a black modular leader cable, with metal connector, used to connect the alarm module and the sensing cable over short distances. One end is prepared with exposed conductors for easy connection to the alarm module terminals (or for splicing to bulk jumper cable) and other end is prepared with a socket type metal connector.

FEATURES

- Simple and fast to install, modular
- Easy to design
