

ETT500 Storage and Transportation Trolley

HANDLE MORE PANELS, FASTER

The nVent HOFFMAN ETT500 Storage and Transportation Trolley is specially designed for organizing, transporting and storing mounting plates and enclosure panels. The trolley makes it safer, easier and more comfortable for workers to access, handle and move equipment.

With an adjustable frame and support arms, the trolley features 10 vertical, individually adjustable slots for mounting plates, as well as side, rear, top, bottom and door panels. Its ergonomic design helps ensure workers can easily reach and handle the equipment they need.

Improve organization

Streamline workflow

Enhance comfort & safety

KEY FEATURES AND BENEFITS

Adjustable frame and support arms

improve worker comfort, provide flexibility and optimize space.

Lockable castor wheels

make it easy to move the trolley and secure it in place.
