

Transversal Sliding Profiles, MTS, 52x799x68mm, Zinc Plated, Mild Steel

物料号

MTS800

The fully equipped mounting plate can be slid easily into the enclosure from the side, which is essential since it is wider than the front opening. It is then fixed into place thanks to the U-profiles.

功能

Description: To be used when installing a wide mounting plate. Adjustable in depth in steps of 25 mm. Compatible with MTS01W rollers.

Pack quantity: 2 profiles with mounting accessories.

Material: 3 mm zinc plated steel.

产品属性
