

安装板铰链套件， MPH

With hinges fitted to a mounting plate, an additional mounting surface can be created while maintaining access to the interior of the enclosure. Equipment that is regularly maintained or checked can then be installed in the front of the enclosure, where it is more accessible.

功能

Description: Allows the mounting plate to be opened up to 105°.

Pack quantity: 1 complete kit with accessories for one mounting plate.

Mounting requirements: Always use in combination with the CB carrier bar.
