

Syspend 281-Max 48-mm Round Tube Flange Coupling and Adapter

Syspend 281-Max 48-mm Round Tube Flange Coupling attaches the Vertical Motion Pedestal Tube or any 48-mm round tube to the enclosure. Enclosure can be rotated 300 degrees and locked in position. Includes safety stop and maintenance-free bearing.

Syspend 281-Max Adapter is required to attach the Flange Coupling to a standard HOFFMAN HMI enclosure that uses a 60 x 60-mm hole pattern (i.e. Syspend Aluminum HMI and Concept HMI). Adapter is not required as the Coupling attaches to enclosure using a 48 x 48-mm hole pattern directly.

功能

Gasket and mounting hardware are included

Assembled Syspend 281 HMI Arm System has a max weight load of 281 lb. (127.7 kg)

技术参数

材料: 铝
颜色: 墨黑色
完成: 粉末涂层
